www.actronmfginc.com

Aluminum & stainless steel rails, retainers, latches, hangers, pulls, handles, knobs, door bolting systems, cable retractors & extractors, waveguide couplings & miscellaneous hardware.

www.conesys.com

Aero Electric Connector - Mil Spec and ruggedized industrial cylindrical connectors including: Mil-C-38999/I, II & III, Mil-C-83723/III, Mil-C-26482, Mil-C-5015, Mil-C-26500 and metal dust covers. Hermetic MIL-C-38999/III.

Aero Industrial Products - Industrial circular connectors and custom cable assemblies.

EMP Connectors - EMI filtering & EMP transient surge protection for: Mil-C-38999/I, II, III, IV, Mil-C 83723, Mil-C-26482, Mil-C-5015, Mil-C-28840. D subminiature. Special connectors.

J-Tech - Mil spec connectors: Mil-C-5015 & front and rear release, Mil-C-83723/III, 28748, VG series and specialty Hi Rel and mass transit connectors. PC Tail, compliant pin and special contacts. Ruggedized RJ45, USB & Fibre Optic connectors.

www.cwind.com

Mil-D-83503/7, Mil-Dtl-83503/20, 21, 24 & 25, Mil-Dtl-83503/6, Mil-Dtl-82503/23 IDC connectors. Slide switches, rocker switches, pushbutton sealed & illuminated switches, cable and custom parts.

www.emersonconnectivity.com

AIM/Cambridge - RF connectors & cable assemblies: BNC, TNC, N, F, Mini-UHF, RCA phone plugs & Twinax.

Johnson - RF connectors & cable assemblies: MCX, MMCX, QMA, SMA, SMK, SMB, SMC, SMP, N, UMC and non magnetic connectors. Adapters, Test Jacks and Hardware.

Midwest Microwave - Mil Spec and D.E.S.C. approved. Attenuators, Precision Adapters, Terminations, DC Blocks, Power Dividers, Couplers, Equalizers, Phase Shifters, Connectors and Test Cables.

Semflex - Flexible microwave frequency DC - 50 GHz coaxial cable & custom cable assemblies for Mil-Aero, commercial OEM and test instrumentation.

FILTRONETICS INC.

www.filtro.net

Filters, Crystals, Oscillators & Coils. Filters: Low Pass, High Pass, Band Pass, Diplexer, Band Stop filters MHz to GHz in LC/Microwave, Monolithic, SAW, Ceramic and Tunable designs. Crystals: KHz to MHz in Surface Mount and Thru Hole packages. Oscillators: Standard and Clock XO, VCXO, TCXO, VCTCXO, OCXO in Surface Mount and Thru Hole packages.

HARWIN
INTERCONNECT DESIGN & MANUFACTURE

www.harwin.com

Hi Rel connectors with 4 finger BeCu contacts: Datamate (2mm) Latching, Jackscrew, Mix-Tek (signal, power & coax) and Gecko (1.25mm). Rectangular board level connectors in a variety of pitches: .80 mm through 2.54 mm. Hot Shoe Spring contact connectors. RFI & PCB hardware. Terminals and Hardware.

ims International
Manufacturing
Services, Inc.

www.ims-resistors.com

Thick & thin film chip electronic components including resistors, RF terminations, attenuators, dividers, filters, resistive splitters, resistive couplers & passive chip thermal transfer devices.

www.lavisystems.com

Aircraft electronics & instrumentation components including: sensors, indicators, fuel transmitters, switches, jumper assemblies & cockpit panels.

OMNETICS
CONNECTOR CORPORATION

www.omnetics.com

Micro D, Micro (.50") and Nano (.125") connectors exceed Mil-Dtl-83513 & -32139. Gold plated flex pin connectors feature multiple terminations. Rectangular, circular & Bi-Lobe plastic and metal shell connectors with latching, bayonet, threaded and quick disconnect locking. Cable Assemblies. IP67 & IP68 rated. For: space, military, security, medical, gas & oil applications.

stacosystems[™]
One Step Ahead[™]

www.stacosystems.com

Sunlight readable & NVG compatible LED pushbutton switches & indicators. Keyboard & keypads. Wear resistant, illuminated cockpit display panels for aerospace, defence & industrial applications.

VANGUARD ELECTRONICS
High Reliability Inductors & Transformers

www.ve1.com

Standard Space and Military level: MIL-PRF-27, MIL-PRF-21038, MIL-PRF-15305, MIL-PRF-83446 inductors and transformers. Custom products including power and common mode chokes, chip inductors, RF magnetics and inductors, high temp inductors, magnetics and transformers.

VERMILLION INCORPORATED

www.VermillionInc.com

Cable harness for airborne & shipborne applications. Custom cable assemblies built to any configuration. Molded cable assemblies. Harness shielded with Vermalloy: lightweight, effective electrical & magnetic field shielding. Custom bulk cable.
